TYPOGRAPHY

Play 700 for headlines.

Be Vietnam Pro for body copy: plain, direct, operational. The fewest words required.

JETBRAINS MONO · UTILITY LABELS

LOGO

Master SVGs only. Never redraw. Clear space: one brandmark height. Minimum width 30 mm print / 120 px digital.

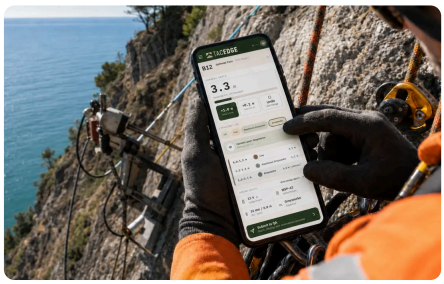

WORKFLOW · CONFIGURE. CAPTURE. CONFIRM.

Configured | Captured | Confirmed

Arrange a demonstration | See the workflow | DRILLING

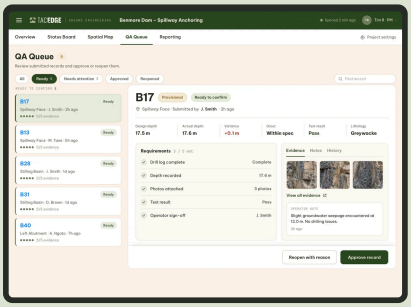

Buttons: 48px, 12px radius. Cards: white, hairline border, one soft shadow. Forest fill = confirmed.

PHOTOGRAPHY

Real crews, real ground, natural light. Documentary, never staged.

PRODUCT IMAGERY

Real screens in graphite frames on Stage. No invention, no distortion.

GRAPHIC LANGUAGE

Topographic contours: dark panels only, low opacity, never over body text.

TONE OF VOICE

Set the project up once. Capture the work where it happens. Give your engineer a confirmed report they can trust.

No chasing. No data re-entry. No rebuilding the report.

Use the fewest words required to preserve the full meaning. No "revolutionary", no "cutting-edge", no unsupported claims. TACEDGE always uppercase.
